Subject: Head's up: RCMP internal communiqué labeling protest "extreme circumstances"

Good morning colleagues,

Wanted to give you a head's up that our Commanding Officer in the NCR will be issuing the attached communiqué internally to members in the NCR. As you will see, considering the magnitude of this event, the Commissioner has delegated the authority to A/Commr Parsons who made a determination that the current events meet the threshold of an 'extreme circumstance', in accordance with Sections 21.28 of the RCMP Regular Members (below the rank of Inspector) and Reservists (RM) Collective Agreement. Essentially that means that the RCMP can make changes 72 hours after the start of the redeployment to shifts. The message was developed in consultation with the National Police Federation.

As I mentioned, this is an internal communiqué but wanted you to have some awareness.
